

SEVILLE

Terraces contribute to this home's impressive, stately design. Where one large private terrace gains entrance to this exciting three bedroom, three bath home, it also serves the gourmet kitchen with a great view. A second large terrace opens from the living room via sliding doors and lends a feeling of grand spaciousness. The Seville is approximately 1,314 square feet.

PIMENTOS EN VINEGRE

Roast 3 red peppers by placing them in an ungreased roasting pan in a 375° oven for approx. 15 min. Remove from oven and let cool. Peel, core and seed. Cut into ½" wide strips. In a small bowl dissolve ½ tsp. of paprika in 1 tbsp. water. Whisk in 3 tbsp. olive oil, 2 tbsp. red wine vinegar, salt, pepper and ⅛ tsp. thyme. Stir in 1 diced garlic clove, 1 tsp. minced parsley, 1 bay leaf and 1 tbsp. slivered onion. Add the pimento strips and marinate in refrigerator until ready to serve. For best flavor, marinate overnight.
