ANDALUSIA HOMEOWNERS ASSOCIATION 2024 ANNUAL MEETING REPORT BY INSPECTOR OF ELECTIONS

The undersigned, having been duly appointed as the Inspector of Elections for the 2024 Annual Meeting of Andalusia Homeowners Association (the "Association"), held December 5, 2024 (the "Meeting"), does hereby report as follows:

1. I, Deanna M. Libert, was appointed as an independent third party, as defined by Civil Code §5110, by the Board in the tabulation and counting of ballots.

2. On November 5, 2024, I was provided with a ballot for dissemination to the Members of the Association. I personally inspected the list of Members of the Association provided to me by its Board of Directors and verified that ballots were sent to each Member at the address of record with the Association. All members of the Association were entitled to vote on the prepared ballot.

3. On December 5, 2024, at 12:00 p.m., the polls were closed. At that time, I had received fifty-seven (57) ballots. Four (4) ballots were invalid because they did not have a voter's signature. Fifty-three (53) ballots would count for quorum. The ballots had remained in my possession since receipt by mail or delivery in person. I verified each Member's information and signature on the outer envelope prior to the Meeting.

4. On December 5, 2024, at 7:00 p.m., I was present at the Meeting of the Association with the ballots delivered to my office by the close of the polls. The meeting was held via virtual/telephone and at 1900 Camden Ave., San Jose, CA 95124. Two (2) Members who did not submit ballots attended the meeting and were counted for quorum. The required quorum was fifty-one percent (51%) or fifty-four (54) Members. A quorum of Members was present in ballots and physically in person at the Meeting.

5. The ballot was for the approval of the previous annual meeting minutes, adoption of the tax resolution and election of directors. For this 2024 election, two (2) directors will be elected for two (2) year terms.

6. All ballots for quorum were tabulated. Cumulative voting was not allowed, and I tallied the votes accordingly:

I certify the foregoing Report is true and accurate. Executed December 5, 2024.
